The petition for revival under 37 CFR 1.137(b) filed 07 January 2005 in the above-captioned application is hereby **GRANTED** as follows:

Applicants' statement that "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" meets the requirements of 37 CFR 1.137(b)(3).

Applicants have now submitted the basic national fee and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application is granted as to the national stage in the United States of America.

The petition was accompanied by a translation of the international application into English and an executed declaration in compliance with 37 CFR 1.497. Deposit Account No. 18-0013 will be charged the \$130 surcharge for filing the declaration later than thirty months after the priority date and the \$130 processing fee for filing the English translation later than thirty months after the priority.

This application is being returned to the National Stage Processing Division of the Office of PCT Operations for further processing in accordance with this decision. The date under 35 U.S.C. 371(c)(1), (c)(2), (c)(4) is 07 January 2005.
